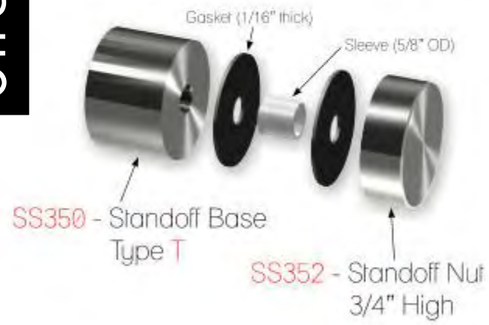
- Recommended standoff is 2"diameter with 1/2" thread but we can produce standoffs to your specification.
- Please refer to our fastener section for threaded rods and hanger bolts.
- Standoff Set includes: Base, Nut, two Gaskets and Sleeve.
- Recommended hole size for standoff is 1" and for Handrail Support is 3/4".

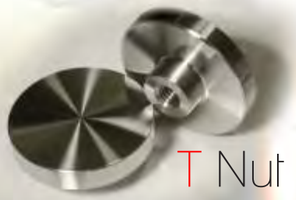


SS355 - Standoff Set

Rail Support

Details on Page 44

Additional Option For Nut



T Nut
